Objectives

The Sponsorship Fund is an annual contestable fund. Through the Sponsorship Fund, Palmerston North City Council will invest in initiatives (projects, activity or events) that contribute to Council's vision for the City, in particular, Goal One: An innovative and growing city. Council recognises the opportunities that arise when we positively profile our City.

Council's investment will be targeted with a specific focus on events that:

- Contribution to outcomes to achieve goal 1 of Council's strategic direction.
- The initiative is innovative, delivering something new or addressing an issue that affects the people of Palmy in line with Council's strategic goals;
- Significant regional or national importance;
- Positively profiles the city of Palmy
- Provides a quantifiable economic benefit (e.g. activities, projects or events that attract 200+ visitors to the city who stay at least one night)

For help, contact Marketing at design@pncc.govt.nz or call 06 356 8199.

Allocation

Grants will be awarded through a contestable process throughout the year, until all the funds have been allocated. The maximum application amount of funding to the Sponsorship Fund is \$10,000 per annum.

An applicant may apply for one year initially but can re-apply for the same project the following year. There are no guarantees that the project will receive funding for the second year.

Criteria for Applications

All applications and applicants to the Sponsorship Fund must align with the measurement framework and the assessors will look at:

- The viability of the proposed initiative, including whether you have the capability, capacity and experience to deliver it.
- Whether your initiative aligns with the Sponsorship funding priorities, which includes consideration of:
 - contribution to outcomes to achieve goal 1 of Council's strategic direction.
 - is innovative, delivering something new or addressing an issue that affects the people of Palmerston North in line with Council's strategic goals;
 - is of significant regional or national importance;
 - positively profiles the city of Palmerston North; and
 - provides a quantifiable economic benefit (e.g. activities, project or events that attract 200+ visitors to the city who stay at least one night).

Eligible Expenses for Grant Funding

Applicants will be asked to provide an overall budget for the initiative. In most cases Council will be one of several sources of funding for the event rather than the sole funder, and this should be reflected in the budget.

The budget for the event is likely to include a range of costs. Examples include:

- Salaries, wages, professional fees (e.g. artists' fees) and volunteer expenses.
- Administration and office expenses.
- Accommodation expenses including rent, leases, maintenance, insurances and utilities.
- Costs integral to service delivery (e.g. vehicle expenses for a mobile social service).
- Marketing, advertising, website and printing costs; and
- Programme expenses such as materials, equipment hire, venue hire and tutor's fees.

Applicants will need to indicate how they plan to spend their council grant including details of the event and how it will be used to fund specific components of the budget, or to help offset the overall cost. Appropriate outcomes for the level of funding Council provides will be negotiated with recipients, and any special conditions for how the grant can be spent will be reflected in the funding agreement.

Ineligible Expenses for Grant Funding

The following activities will not be funded:

- Debt servicing or repayment.
- Legal expenses.
- Activities that promote religious ministry or political purposes and causes.
- Medical expenses.
- Public services that are the responsibility of central government (e.g. core education, primary health care).
- Physical works - e.g. improvement to community buildings - that require consents or permits, prior to the necessary consents or permits being obtained (grants may be awarded in principle, but funds will not be released until all conditions are satisfied); and
- Purchase of alcohol.

In a competitive funding environment, the following may be a lower priority for funding:

- Travel and accommodation outside Palmerston North, unless Council is convinced there will be a tangible benefit for Palmerston North communities.
- Retrospective costs (where the activity has already taken place), unless this is necessary as a condition of the grant or Council is satisfied there are other mitigating circumstances; and
- Fundraising events or activities, especially where the beneficiary is a third party (e.g. charity events, sponsored walks), unless we determine the event has a wider community benefit beyond its primary purpose as a fundraiser.

Strategic Positioning

Sponsorship Fund FY 24/25

Form Preview

We want our city to be known as the most nourishing city in the world and we want applicants of this fund to have alignment to this goal.

Our strategic positioning and identity give Council and the wider city a firm and recognisable platform towards building city growth and prosperity.

Research into the city's strategic position, which began in early 2019, showed us that to stand out from the crowd a "centre of industry" approach is the best fit for Palmy, through growing a "food innovation" capital in New Zealand. This positioning sits alongside and complements our [Small City Benefits, Big City Ambition](#) vision. We want our city to be a place where people can grow their minds, lives and even their bellies.

We want to become renowned for our role in the future of food, nutrition and sustainability through connecting the advantages of our location to the far-reaching need of society to create a more sustainable future through food, and to the desire for food experiences, provenance, inherent quality and healthy living.

How will your initiative align to our Strategic Positioning?
